25X1A9A 6. [] asked the question "Do you or do you not get a second person to check you out when you lock up safes etc. after you have been working on an overtime basis?" It was agreed that that person who is doing the overtime should secure the safes and room and sign the security check sheet but that another person, if available, be asked to come in and conduct a courtesy check without signing responsibility.

9. Remainder of meeting spent in discussion of the FITNESS REPORT.
